Contributions Received From Political Committees

Over \$250.00

Use this Part to itemize only contributions received from Political Committees with an aggregate value over \$250.00 in the reporting period.

2013-0099

A high-contrast, black and white abstract image featuring a grid of horizontal and vertical lines. The grid is composed of thick, solid black lines and thin, white lines. The pattern is highly repetitive, with the black lines forming a series of parallel bands across the image. The white lines create a series of smaller, nested rectangles within these bands. The overall effect is one of a digital or geometric abstraction, possibly a test pattern or a minimalist artwork.
